

# 1<sup>st</sup> Annual Poker Run

## OPERATION FEEDBACK.US

*Feeding those who serve(d)*

## A ride to support our Military, Veterans and their families.

This Poker Run caps the end of the 2 month food drive that Operation Feed Back, and the VA Sierra Health Care System are partnered together to bring food to the families and children of Veterans. This VA food drive is part of the 'Feds Feed Families'. This is our second year partnering with the Veterans Administration.

Operation Feed Back receives no Government funding, so there is no red tape. Qualification is as simple as proving that you, or someone in your immediate family is serving, or has served, contributing to the shared maintenance fee that covers our operating expenses, and going home on Tuesday night with food for your family.
